Vol 7 Issue 2
May – Aug 2026

For the Lord gives wisdom; from His mouth come knowledge and understanding! (Holy Bible)

It gives me immense pleasure to present another edition of our College magazine, which reflects the vibrant academic, professional and social life of St. Stephen's Hospital College of Nursing.

Nursing education extends far beyond the classroom. It is about developing competence, compassion, confidence and the courage to serve humanity. Our College takes pride in holding on to this philosophy, with our students actively engaging in academic, community-based and co-curricular initiatives. From health camps and awareness programmes on tobacco control, malaria and dengue prevention to fire-safety activities, our students have translated knowledge into meaningful action.

Our 4th National Conference, "Lead Beyond Limits: Shaping Visionaries, Driving Change," further strengthened our commitment to nurturing leadership, innovation and professional excellence. Such platforms encourage our students and faculty to think beyond conventional boundaries and become catalysts for positive change in healthcare.

I am particularly proud of the 100% result achieved by our B.Sc. (Hons.) Nursing students in the academic year 2025–2026. This accomplishment reflects the dedication of our students, the commitment of our faculty and the collective efforts of the entire College community.

As we celebrate these milestones, let us remain committed to continuous learning, ethical practice, compassionate care and lifelong professional growth. May our students always remember that every act of nursing has the power to heal, empower and transform lives!

Let us continue to learn, lead and serve—beyond limits

FRESHERS' WELCOME AND FAREWELL CEREMONY 2026

St. Stephen's Hospital College of Nursing organized Freshers' Welcome and Farewell Ceremony 2026 with the themes "Traditional Tales" and "The Masked Gala", celebrating new beginnings and honouring the graduating students. The programme included an invocation by Rev. Bendang Lemtor, SNA Annual Report presentation, inspiring addresses by Dr. Sudhir C. Joseph, Director, St. Stephen's Hospital and Prof. Dr. Feba Geevarghese, Principal along with fresher introductions, cultural performances, farewell presentations, and WHO Day Competition prize distribution. Ms. Shweta {B.Sc.(Hons) Nursing I Year} was crowned Ms. Freshers 2026, and Ms. Rechal Sirola {B.Sc.(Hons) Nursing IV Year} was awarded with the title 'Ms. Stephen's 2026'. The event concluded with a vote of thanks by Ms. Priyasha, Joint Secretary, SNA, leaving everyone with memorable moments of celebration and togetherness.

POSTER COMPETITION ON THEME; FIRE SAFETY

St. Stephen's Hospital College of Nursing organised a Poster Competition on "Fire Safety" on 8th May 2026 in the College Library. The event witnessed enthusiastic participation from 22 students who displayed their creativity and awareness about fire prevention and safety measures.

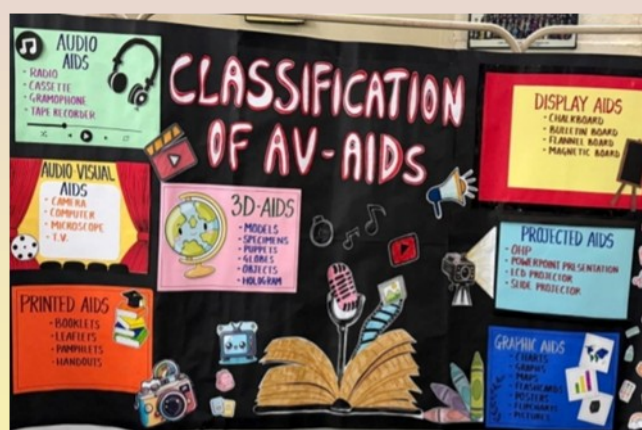

The posters were evaluated by a panel of judges, comprising Prof. Dr. Feba Geevarghese, Principal, Mr. John Manohar, Assistant General Superintendent, St. Stephen's Hospital, and Mr. Alok James, Chief Project Officer, St. Stephen's Hospital. Ms. Theresa Navya Xavier, B.Sc.(Hons) Nursing Semester 7, Ms. Disha, GNM Second Year and Ms. Garima, GNM Second Year bagged the first, second and third prizes respectively.

The competition promoted fire safety awareness and encouraged creativity among future nursing professionals.

AUDIO-VISUAL (AV) AIDS EXHIBITION

The First-Year M.Sc. Nursing students of St. Stephen's Hospital College of Nursing organised an Audio-Visual (AV) Aids Exhibition on 11th May 2026 to highlight the role of innovative teaching-learning resources in nursing education. The exhibition was inaugurated by Prof. Dr. Feba Geevarghese, Principal, and featured various AV aids including 3D Aids, Printed Aids, Display Boards, Graphic Aids, Activity Aids, and Projected AV Aids. Students showed the principles and applications of these teaching aids through interactive presentations. The exhibition served as an effective platform for experiential learning, enhancing creativity, communication skills, and understanding of learner-centred teaching strategies in nursing education.

Health camp

Community Health Nursing Department of St. Stephen's Hospital College of Nursing organised a General Health Camp at Sundar Nagri on 21st May 2026. The programme provided students with valuable field exposure and an opportunity to apply nursing knowledge in a community setting. In collaboration with the healthcare team of CHC Sundar Nagri, students actively participated in health service delivery, enhancing their communication skills, teamwork, and understanding of preventive and promotive healthcare. The camp served as an enriching experiential learning experience, strengthening students' commitment towards community health services.

ILBS ONLINE WORKSHOP "LIVER HEALTH MATTERS"

An online workshop titled "Nationwide Awareness Programme on Fatty Liver Disease among Registered Nursing Professionals" organised by ILBS College of Nursing on 29th May 2026 was attended by our faculties and students. The workshop focused on enhancing nursing professionals' knowledge regarding Fatty Liver Disease, including its risk factors, clinical manifestations, diagnosis, prevention, and evidence-based management. The sessions highlighted the importance of early identification, lifestyle modification, patient education, and the role of nurses in promoting liver health. The programme served as a valuable continuing nursing education initiative, strengthening participants' knowledge and professional competencies in the prevention and management of Fatty Liver Disease.

WORLD NO TOBACCO DAY AWARENESS PROGRAMME

World No Tobacco Day is observed globally on 31st May every year and in alignment with this global campaign, the Community Health Nursing Department of St. Stephen's Hospital College of Nursing organized an awareness programme on 1st June 2026 at Patient Waiting Area and Registration Area of St. Stephen's Hospital College of Nursing.

The objective of the programme was to educate students, staff, visitors and patient's attendants about the adverse effects of tobacco consumption and the importance of tobacco cessation. As part of the programme, a street play was presented by B.Sc. (Hons) Nursing 4th Year, Semester VII students. A total of 23 students actively participated and effectively conveyed the message of Tobacco prevention and control. The programme was graced by our Respected Principal madam, Medical Superintendent & other members of administration, teaching faculties and students. The role play was highly appreciated by the audience for its informative content and effective presentation. The event concluded with a message urging everyone to abstain from tobacco use and to promote a healthy, tobacco-free environment.

4TH NATIONAL CONFERENCE "LEAD BEYOND LIMITS: SHAPING VISIONARIES, DRIVING CHANGE"

The College of Nursing and Community Health Department, St. Stephen's Hospital, jointly organized the 4th National Conference on "Lead Beyond Limits: Shaping Visionaries, Driving Change" on 23rd–24th June 2026 at the Conference Hall, St. Stephen's Hospital, Delhi. Conducted in hybrid mode, the conference aimed to strengthen leadership, management, innovation, and professional competencies among healthcare professionals, educators, students, and administrators. The conference was inaugurated by Dr. Sudhir C. Joseph, Director, St. Stephen's Hospital, who emphasized on visionary leadership, ethical practice, and innovation in healthcare. Prof. Dr. Feba Geevarghese, Principal, SSHCON, and Dr. Abha Mangal, Senior Specialist and Head, Community Health Department, welcomed the participants and highlighted the significance of the conference. Eminent speakers from leading healthcare and academic institutions delivered insightful sessions on leadership and management. Day 2 featured an engaging panel discussion with distinguished experts, along with interactive discussions, case studies, and simulation-based activities. The two-day National Conference provided a valuable platform for knowledge exchange, professional development, and leadership enrichment, reaffirming St. Stephen's Hospital College of Nursing's commitment to nurturing visionary healthcare leaders and driving positive change in healthcare.

AWARENESS PROGRAM ON MALARIA AND DENGUE PREVENTION

St. Stephen's Hospital College of Nursing, in collaboration with the Department of Epidemiology, IHBAS (Institute of Human Behaviour and allied science), organised an Awareness Programme on Malaria and Dengue Prevention on 17 July 2026 in the hospital OPD area, IHBAS. B.Sc. (Hons) Nursing Semester VI students conducted an informative role play highlighting the

causes, transmission, signs and symptoms, complications, and preventive measures for malaria and dengue. Informative charts and posters were also displayed to reinforce key messages on mosquito control, environmental cleanliness, and elimination of stagnant water. Dr. Sarabjeet, Head, Department of Epidemiology, IHBAS, addressed the gathering and emphasised the importance of community participation and timely medical care in preventing mosquito-borne diseases. The programme was well received by patients and attendants and provided students with a valuable opportunity to strengthen their health education and community engagement skills.

INDEPENDENCE DAY CELEBRATION

The 80th Independence Day celebration was held on 15th August 2026, 7:30 a.m. on the terrace of Dr. Lucy Oommen Mother & Child Block, St. Stephen's Hospital, Delhi. The programme was graced by Director Sir, Principal Madam, Warden, hospital staff, and hostellers. The event began with a March Past, followed by Flag Hoisting and the National Anthem. It continued with a prayer song and patriotic song. The programme concluded with an inspiring speech by the Director Sir, highlighting the importance of patriotism, unity, and responsibility towards the nation. The celebration ended on a joyful and patriotic note.

**FACULTY ACHIEVEMENT**

Ms. Jaya Simon, Assistant Professor was honored with the **Best Mentor Award** for the year 2026, for her commitment to excellence, mentorship & fostering high standards of professional nursing practice

Congratulations!

***100 % Results of B.Sc. (Hons) Nursing in the academic Year 2025-2026
Kudos to the students and Faculty!!***
